

EYFS

For National Handwriting Day we did three lots of disco dough, did our usual daily handwriting practise, made patterns with our pencils, wrote in sand and glitter and wrote our names beautifully. The children enjoyed the extra disco dough and pen pals warm ups.

Our literacy board in the classroom is dedicated to National Handwriting day too!

Honeybees, Bottlenosed Dolphins and Woodpeckers

We loved looking at letters written by our Mummy's and Daddy's and wrote a class letter to our parents for them to see at the end of the day. We wrote 'London's Burning' in our neatest handwriting. Teachers chose the most improved handwriter and gave out prizes.

Tigers and Dragonflies

For National handwriting day we used our special pens and wrote out a best copy of 'The song of Hiawatha' for our display board.

The children enjoyed practicing the new words and using handwriting pens.

Year 4/5 Geckos

For National handwriting day we copied down in neat handwriting the Diary entry, we had written on Friday for our Road Trip USA topic.

The children enjoyed the handwriting exercises they did to get their writing hands starting, and the certificates they received to celebrate their effort.

Year 4/5 Chameleons

FOR NATIONAL HANDWRITING DAY WE LOOKED AT OUR OWN HANDWRITING AND WROTE DOWN ONE THING WE LIKED ABOUT IT AND ONE THING WE COULD IMPROVE. THE CHILDREN THEN WROTE A DIARY ENTRY AND TRIED TO FOCUS ON ACHIEVING THEIR TARGET.

THE CHILDREN ENJOYED DOING FINGER AEROBIC EXERCISES TO WARM UP THE FINGERS BEFORE WRITING.

Year 6

For National handwriting day we wrote word study words in Old English Style text.

We gave out certificates for the neatest handwriting today.
