## How we have helped

This term, the PTA funded:

- Brand new forest school resources
- 3 tonnes of compost for the allotment
- Gifts from Santa (with help from JWPS families!)
- Class Christmas party food

## Committee Changes

A very big thank you to Leanne Crane for all of her work as PTA Secretary, and a very warm welcome to Kate Hocking as our new Fundraising Officer!

## Coming Up!

### Exciting News - Harborough Lotto Coming Soon!

We're thrilled to announce that our school will be part of the Harborough Lotto starting in the new year! This is a fantastic way to support our PTA while having the chance to win up to £25,000 in the weekly Saturday draw. Tickets will cost just £1 per week, with 60p from every ticket going directly to community projects. Keep an eye out for more details in January on how to sign up and choose our school as your cause. Let's make 2026 a winning year for everyone!
